FILMING NOTIFICATION – TURVEY HOUSE

Dear Resident,

We are writing to notify about filming for TV Period Drama titled 'Hampstead' at Turvey House on Thursday 14th and Friday 15th December 2023.

What & Where?

Filming will entirely contained to Turvey House and its grounds although we will require the use of local roads to access the site, therefore we would like to give you advance warning of when our vehicles will be arriving and departing.

Preparation and Arrival to Site.

We will begin Preparation for the shoot in the parkland on Thursday 7th & Friday 8th December and continue on Monday 11th – Weds 13th December between the hours of 0730 – 1830. On the evening of Wednesday 13th December our filming unit will be arriving into the Showground area of the parkland in Turvey House via Carlton Road. This consists of large trailers and trucks and so there may be a higher volume of traffic than usual between the hours of 2000 – 2200. To ease the flow of traffic we are proposing to position a film security guard with cones on the junction of Carlton Road near the post office to ensure no vehicles are parked here that may slow the large vehicles making that turn. We would kindly ask that if you do normally park here, you might be able to park further along the road during the times indicated. Please find a map of the area we propose coning overleaf.

Filming Days.

Once our larger vehicles are parked on site, the traffic will mostly consists of cars, small vans and minibuses arriving and departing site on our two filming days between the hours of 0800 & 1000 Thursday 14th and 1900 – 2000 Friday 15th.

Reinstatement and Departure from site.

The main bulk of our larger filming vehicles will depart from site on the morning of Saturday 16th December between 0800 – 1200. We will continue our work on site until Thursday 21st December when we will be fully off site.

Get in touch

We endeavor to keep disruption to a minimal although If you have any concerns or would like to speak to us in advance of our arrival, please reach out on the contact details below.

Yours sincerely,

Dan Peacock
